## Golden couple Brad Pitt & Angelina Jolie sign contract to split £205m fortune

TROUBLE AHEAD: Brad Pitt and Angelina Jolie

**EXCLUSIVE**

By James Desborough, 24/01/2010

**HOLLYWOOD golden pair Brad Pitt and Angelina Jolie have seen DIVORCE lawyers and signed a £205 million split deal, we can reveal.**

The world's most famous couple legally agreed how to divide their fortune and who gets custody of their six kids.

The megastars have agreed to equally divide their vast fortune - and to SHARE their six children.

Dynamite legal papers secretly signed by the couple this month detail how all their homes and assets will be carved up.

The agreement gives them joint custody of the kids - but all six will actually live full-time with their mum.

Preparations for a split began in early December when "Brangelina" visited a top Los Angeles divorce firm to begin thrashing out the deal.

An announcement of their separation is

expected to be made soon - ending months of speculation that the five-year relationship is on the rocks.

A source told the News of the World: "The document was signed in early January. Both Brad and Angelina had signed it.

"The contract was like a tailor-made version of a pre-nuptial agreement except for an unmarried couple's split.

"It seemed clear they want the world to know they'll both play a part in the upbringing of the children.

"But Angelina will actually be the one who lives with them full-time."

The divorce lawyer they consulted is based in Beverly Hills and has worked on a string of celeb divorces and splits. He is widely regarded as "the best in the business".

Our source added: "There's no date for when the contract would come into effect.

"But the paperwork is already organised for a break- up - and for it to be as unmessy for them as possible. It is clear it's a case of when they break up rather than if."

MOODY - Brad and Angelina in NYC

The troubled couple have not been photographed together in public in recent days. On Friday night, Brad, 46, was snapped backstage at the Hope For Haiti concert in Los Angeles without Angelina, 34.

His ex-wife Jennifer Aniston was there - although not with him.

"Brangelina" fell for each other when they played a warring couple in Mr and Mrs Smith in 2004. They have three adopted children (Maddox, eight, Pax, six, and Zahara, five), and three biological kids (Shiloh, three, and 17-month-old twins Knox and Vivienne).

Both stars have been through high- profile splits before. Brad shocked the world when he split from Hollywood golden girl Jennifer, 40, in January 2005. They had been married for 4½ years.

He was first photographed with Oscar-winner Angelina three months after the split. Before Jen, he was engaged to actress Gwyneth Paltrow.

OLD FLAME - Jennifer Aniston

Jolie has been divorced twice - from Monster's Ball star Billy Bob Thornton in 2003, and Trainspotting actor Johnny Lee Miller in 1999.

Her joint fortune with Brad of \$322 million (£205 million) includes mansions in France, California and New Orleans. But rumours have been circulating for months that the couple's relationship is doomed.

Last week they failed to show at the Golden Globe Awards even though Brad's film Inglourious Basterds was up for a several gongs.

Instead he went to watch the American football team New Orleans Saints, while Changeling star Angelina stayed in California. Also last week, Pitt bought the mansion next door to the family's LA home for £800,000.

His pals Guy Ritchie and wife Madonna famously bought their next-door pad in London before their split so they could share living space with their kids but keep away from each another.

Earlier this month, Angelina was snapped looking tense with an unsmiling Brad in New York.

And last month she said fidelity was over-rated - and if she or Brad had an affair it would not be a problem.

She told German magazine Das Neue: "Neither Brad nor I have ever claimed that living together means to be chained together. We make sure that we never restrict each other.

"I doubt that fidelity is absolutely essential for a relationship. It's worse to leave your partner and talk badly about him afterwards."

Angelina, whose new film Salt is due in British cinemas this summer, also said: "The sparks fly at home if the nice Brad fails to see that he's wrong and reacts in a defiant way.

"Then I can get so angry that I tear his shirt."

Also this month, best-selling American biographer Ian Halperin released a revelation-packed insight into the Jolie- Pitt relationship.

He said when the couple first met they had 20-HOUR sex sessions.

INGLORIOUS - At the premiere

In his book Brangelina: Brad Pitt and Angelina Jolie, Ian writes: "Brad had never had such incredible sex.

"My sources say that they sometimes spent 18 to 20 hours a day in bed. But sex eventually wears off.

"She has brought a lot of good things to him - the children, for example.

"But he didn't know what he was getting into, and that's why I think they're going to split."

We asked Brad, Angelina and the legal firm for their comments but they did not respond.

Shocked? Hardly.

Most relationships in Hollywood are over within 3 yrs.  
They beat the odds by 2 yrs.  
He lasted under 5 yrs with Aniston too.

Why when it does happen to a celebrity couple does everyone seem so shocked?

By LizDee.. Posted January 24 2010 at 11:35 AM.

This relationship should never have happened.  
It was doomed from the start.

By A.. Posted January 24 2010 at 11:34 AM.

This is a sadly familiar tale and will continue to happen time after time with similar couples. Two beautiful people with sickening amounts of money that get a bit bored and start looking for someone or something better to fulfill their hunger for a new 'high' in there lives....let them get on with it I say....

By beverly newcastle.. Posted January 24 2010 at 11:34 AM.

The problem with celebs dating each other is they are in a competition against each other, these people need someone not in the same line of work , they also need to loose the EGO's And if they are not married why do they need a solicitor ? they like throwing money away , if so could of give it to Haiti Appeal .

By Tommy .. Posted January 24 2010 at 11:33 AM.

I know bp and ja are serious pot heads, I don't know about aj, maybe just a flake! Now watch people stand in line to them for political and religious words of advice and wit.

By gag.. Posted January 24 2010 at 11:37 AM.

Personally to me, all celebrities lives (marriage,love,personal) are messy and annoying.Why?Because they're not only ruin themselves but they're more destroying their children lives.Pity on there kids not to them.I can call them SELFISH....People....

By mv.. Posted January 24 2010 at 11:52 AM.

jennifer aniston will enjoy getting another free publicity boost as she is so desperate for it. she would take brad back in a minute as she is desperate and no one else wants her longterm, so she cant crow about angelina she is no better and has had more men than i have had hot dinners

By margaret rodder.. Posted January 24 2010 at 11:30 AM.

So sorry with your family.  
Fight!!!!!!!!!!!!!!

By jobjob.. Posted January 24 2010 at 11:20 AM.

These two people don't live in the real world. They are idiots.

By Lamont Cranston.. Posted January 24 2010 at 11:19 AM.

message to linn: sometimes its better to be happy apart than together and miserable with all six kids living in that environment ! you' can't always think of YOURSELF and your happiness.

Why divorce lawyerrs, they are not even married !!!!!

By toni.. Posted January 24 2010 at 11:02 AM.

Linn.... Selfish is staying together, my dad stayed with my mum to keep the family together for us, 15 years he stuck it out for and it was awful. We were always stuck in the middle of arguments and life was hell. Then dad decided to leave and things just got better from there. If they cant work it out they shouldn't be together. Simple!

By Donna.. Posted January 24 2010 at 11:16 AM.

Oh dear. Yawn.

By Asmodeus.. Posted January 24 2010 at 11:14 AM.

What is it with you people and living in the past?!! No wonder some people never move on with their lives. Hello!!!! Brad and Jennifer were divorced - he shacked up with Angelina and they have six kids!!

Why would you Jennifer fans want her to get back with Brad and all his baggage after being drained and tired out by Angelina?!!

True love my harris - if it were true love Angelina wouldn't have been able to lure him away so easily!!

By VeeJay.. Posted January 24 2010 at 11:12 AM.

Couples, not all the sex in the world will hold you together if there is no love. NO LOVE! There's a lesson for couples in Hollywood and around the world: a relationship based in lies, sex...more upfronts, more lies, more sex, sex and more sex..it goes to show that it won't last unless there is real love, honesty and transparency. All the basis this couple didn't have. I give them credit for stoping this charade before it harms the children any longer. They didn't ask to come to this world, they don't need to see this 'going on' with their parents. They finally will get the most needed stability and individual love from each parent.

By marty.. Posted January 24 2010 at 11:10 AM.

Gee, who would have thought two of the most vain, egocentric, shallow people like this would have a real marriage. It's a shock they lasted that long.

By mike.. Posted January 24 2010 at 11:09 AM.

It's all Bush's fault!

By Armchair.. Posted January 24 2010 at 10:51 AM.

20 hour sex? Heck, that's a quickie to me.

By RoyBoyToy.. Posted January 24 2010 at 10:46 AM.

Yeh, you're right - it's so much worse for the kids to spend time with two loving parents who can keep their split amicable, than living with warring factions. What a myth. I wish to God my parents had split up when I was a kid instead of attempting to fake it out for my sake - EVERYONE would have been better off.

By Lolly.. Posted January 24 2010 at 10:34 AM.

They are not living in the real world to us.  
I would not like to live in that world, even with all the money in the world.

By SMAC.. Posted January 24 2010 at 10:32 AM.

They never looked right together. She always looks like she needs a good wash.

By Bev.. Posted January 24 2010 at 10:00 AM.

Team Aniston all the way ha ha ha ha  
Feel sorry for the kids though !

By Rachel.. Posted January 24 2010 at 10:03 AM.

Angelina why did you do this to Brad when he loved you so. They are sayin its because of you.

By Michael J Elsinore.. Posted January 24 2010 at 10:02 AM.

Trashy, irresponsible, self absorbed idiots.

By Jack Stack.. Posted January 24 2010 at 10:09 AM.

I really hope Jen and Brad get back together, if they can work through what has happened. It is obvious that Jen still loves him and i wouldn't be suprised if the feeling was mutual. I of course hope all six kids do not suffer through all this. Maybe Angelina should now focus on being a mum for the moment.

By Lauren.. Posted January 24 2010 at 10:20 AM.

His heart is still with Jen...

By Karen Wattam.. Posted January 24 2010 at 9:36 AM.

People like Angelina Jolie cannot have long relationships. She is a sex maniac, controlling and very very weird. A man can take that only for so long.. Brad needs to get a normal girl for himself.. Even what's her face Aniston is similar to Jolie...

By Whytes.. Posted January 24 2010 at 9:35 AM.

Brad Pitt is a person? Hell, I thought it was the name of the team mascot for the Pittsburg Panthers

By skeebo.. Posted January 24 2010 at 9:35 AM.

I'm not so sure they signed divorce papers, rather an ANC. I think they are finally getting married! That will be the best news of the year!

By Antoinette.. Posted January 24 2010 at 9:33 AM.

so boring if it wasn't for the kids!

By kt.. Posted January 24 2010 at 9:40 AM.

Split? Never married? Who cares?

Just hope the kids are stronger than their parents. They're the ones that will suffer.

By Barry S... Posted January 24 2010 at 9:59 AM.

Selfish! Eish! what the hell is this world coming to?

By Lovie.. Posted January 24 2010 at 9:55 AM.

ohhh anna.. anna.. you are so biased.. how many relationships has jennifer aniston gone through in the past 4 years.. ??? jus a few eh.. not only couldnt she keep brad.. she hasn't even manage to keep any of them..

By kelly.. Posted January 24 2010 at 9:54 AM.

See Jen, its true what goes around comes around. Cant wait to see it happen to my ex!!!

By susan.. Posted January 24 2010 at 9:09 AM.

it would be too dreamy if he and Jennifer got back together. It'd make a great movie, for sure!

By michelle.. Posted January 24 2010 at 9:08 AM.

Eh, as long as nobody fires any of the governesses, the kids probably won't even notice anything different.

By Kensington.. Posted January 24 2010 at 9:16 AM.

I bet Jen is laughing her head off!! he who laughs last .....

By Shar.. Posted January 24 2010 at 9:16 AM.

this is the most devastating news i have ever heard. i havn't left the house yet, brad and angelina are the most amazing couple they supported charities, raised a beautiful family, taught us a lot about our selves and about love and friendship. They should of stayed together for the kids, 6 kids - wow - thats an amazing achievement they brought black and white races together in harmony.

I wonder if angie will now carry around a ambulet of brads blood around her neck???

By LOVEPINK guru .. Posted January 24 2010 at 9:14 AM.

this is really sad. loved this couple

By wendy.. Posted January 24 2010 at 9:23 AM.

One was always working whilst the other stayed at home, so really for the children all will pretty much stay the same. This wasn't a traditional dad with a 9-5 job and mum wasn't a stay at home mum. Jen won't go back....

By anna.. Posted January 24 2010 at 9:22 AM.

Both Brad and Angelina are so full of themselves it ain't even funny -- I'm sick of them both and most definitely unsurprised about the outcome of their relationship.

By Lin.. Posted January 24 2010 at 9:20 AM.

Shock & Sad & Bad news...  
Too bad for the kid..

By Season.. Posted January 24 2010 at 9:19 AM.

UNCONSCIONABLE.

By Anonymous.. Posted January 24 2010 at 9:01 AM.

It's hardly a surprise is it ? They've been over for ages and they've been looking soooooo miserable for a long long time. Maybe it was never love to begin with, maybe it was just lust and that soon goes. Ah well.... as always, the kids get caught up in the parents' selfish mess. Hope Jen doesn't take him back, he's so old looking with that "face furniture".

By janicebyrne.. Posted January 24 2010 at 9:00 AM.

At least he had his priorities straight concerning the Saints game.

By Art B... Posted January 24 2010 at 8:57 AM.

Shiloh is born Namibian. We want our kid back home in the Namib desert.

By Kennedy Hamutenya.. Posted January 24 2010 at 8:51 AM.

I don't like Angelina. She didn't deserve to have those children, when lovely Jennifer hasn't had any yet. I don't think Jennifer should take Brad back - by leaving her he may have made her miss out on becoming a mother. Stick to Norman the dog Jen!

By Victoria.. Posted January 24 2010 at 8:37 AM.

This is nothing but long term problems for the children. Pax & Maddox looked up to Brad as the father they never had - Sahara, always looked unhappy. Poor little Shiloh was shunted aside by her mother because she was "too priveleged", and now looks like a ragamuffin in sloppy clothes and uncombed hair; and who knows what will happen with the twins...

I personally think the kids should not be left full-time with Angelina because she has a history of being mentally unstable, and will not provide the stable home environment the kids deserve, with her traipsing all over the world looking for more kids to adopt to satisfy whatever need impels her.

Children always lose in divorce situations. Watch for the Enquirer to report they are all endlessly on shrinks' couches & medicated in a few years.

By Elise.. Posted January 24 2010 at 8:36 AM.

They shouldn't have been able to adopt as a couple! I am adopting at the moment and we had to get married and have lots of meetings with a social assistant and a psychologist so they could establish our motives, the strength of our couple, our maturity. This is an extremely SELFISH couple who have churned out and adopted too many children, far too quickly. Adoptive children need lots of time and energy spent on them, they need to feel they have a proper place in their family, not bunged haphazardly into a family unit, full of natural children. Tell me when does Angelina spend quality time with each adopted child? It's going to backfire on her when they grow up, sadly it's the children who will suffer because mummy & daddy couldn't resist committing adultery to be together and then they couldn't manage to stay together for the sake of all those kids. The kids will be on drugs and alcohol as teenagers, mark my words.

By SarahinFrance.. Posted January 24 2010 at 8:35 AM.

i have been reading all the comments tonite and see so many of the same words. but you know my friends, this is nothing new in hollywood. they say out there not, how is your wife, but they say who is your wife. do you notice that all the awards that stars show up for, it is not about the awards, it is for the best dressed. to much is expected from both sides of a relationship. i wonder when the last time that that ang. jan, and best and pretty little lady, meg ryan has been to a good old midwest party where they wear jeans etc, you take your lady to just a plain movie or mall. you take her or him to places in illinois where they dont have to be hounded. well ladies if you want to change i have a little camper a pontoon boat, and old. buttttt ohhhhh i am not wealthy. just a nice guy. would like for this to happen to all nice folks in there business. see ya

By pete.. Posted January 24 2010 at 8:23 AM.

Brad should NEVER have walked out on Jennifer Aniston.

What goes around comes around!!! LOL Let's just hope Jen doesn't take the lowlife back!

Just a shame that five wasted years has produced six children now going to bought up by a single parent. Money is not everything!!!

By Jeanette13.. Posted January 24 2010 at 8:28 AM.

This Is Hollywood, period.

By welovetheUSA.. Posted January 24 2010 at 7:49 AM.

Anjelina! I'm here for you, babe! 20 hours? NO PROBLEM! Use me, abuse me, then throw me away if you wish. The world's on your platter. Who cares what these others are saying.

By Paul.. Posted January 24 2010 at 8:01 AM.

IT WAS JUST A MATTER OF TIME!

By cravena.. Posted January 24 2010 at 7:58 AM.

I heard it's because Brad has his head so far up Obama's arse (along with Cloony & Matt Damon) and Angelina can't stand him. She is more like her Daddy than she may want to admit.

By Vince ... Posted January 24 2010 at 7:56 AM.

\*GASP\* I'm shocked!!!!!!.....NOT!

"I doubt that fidelity is absolutely essential for a relationship."  
Ummm...well...yeah....it is. That is if you want your relationship to work and like, forever. Jeez! What a numbskull! BOTH of them. Egotists never make good partners.

Feel bad for their kids, but, in a few years they'll end up just like their selfish parents. Unless a miracle intervene's. Ugh...Hollywood people just plain old suck!

By Dea... Posted January 24 2010 at 7:54 AM.

darn thats a bummer, Angelina im 46 single and looking??? wanna go out some time.. PS im broke

By joe ubelhor... Posted January 24 2010 at 7:43 AM.

Both of them suck big-time, I just hate the fact that I am spending my precious life thinking about them.

By Schifter... Posted January 24 2010 at 7:30 AM.

Angelina's 'appeal' has always left me turned off, but I think Jennifer is hot. I hope her and Brad get back together.  
Jen is real, but Angelina is way too into herself.  
She should get back together with that other famous narcissist, Billy Bob Slingblade.

By Skip G... Posted January 24 2010 at 7:25 AM.

Why are people even mentioning Aniston? She was a total superficial bore. He would have left her anyway. He will not be going back. I think he and Angie will continue to love each other, just with another level of freedom that some couples need. Hurt the kids? Those are the luckiest kids on Earth, and they will continue to be loved for the rest of their lives. Aniston is a has been, her career is a string of weak movies, playing the same character. No depth, TV-level talent. She just keeps herself in the limelight. Completely overrated.

There IS such a thing as too much money and some people just can't handle it. Here is another example !

By John H... Posted January 24 2010 at 7:21 AM.

If Jen has a brain in her head she won't give him the time of day.

By Sistaelle... Posted January 24 2010 at 7:14 AM.

You think she changed after having twins?  
A little depression perhaps? Who wanted to spit anyway him or her. Why have kids?

who cares anyway  
It's such a dysfunction world.

By denise... Posted January 24 2010 at 7:02 AM.

If true, this is unfortunate. Especially since we've been hearing for 5 years about how they are "going to" split up. Can't we ever just let people enjoy the happiness of their moment without gleefully predicting their sad ending? He and Anniston had no kids, everyone knew he wanted children, so why the vicious attacks for seeking happiness elsewhere?

By Rayanna... Posted January 24 2010 at 6:57 AM.

He won't go back to Jennifer; he'll move on to someone new.

By jen... Posted January 24 2010 at 6:55 AM.

I feel so bad for the kids. Another 6 kids in the world that won't get to see their parents stay together. I honestly think something is wrong with her, and if I were Brad, I'd worry about leaving the relationship and giving her the kids full time. I think he should stay till the kids are raised.

By Nita.. Posted January 24 2010 at 6:45 AM.

They were such phonies because they said they won't get married until gay marriage is legalized. They're just two more Hollywood phonies that don't care about marriage or commitment in any form.

By krispi San Diego.. Posted January 24 2010 at 6:34 AM.

Yes! I have been waiting for this for a long time. She may be "psycho" like someone else said but I'll take her. 20 hour sessions?!? I'd be happy to just find someone that could handle 10 hours. Angelina here I come baby!

By diego.. Posted January 24 2010 at 6:21 AM.

Maybe now Brad will stop talking with that weird pseudo-intellectual accent....

By jj.. Posted January 24 2010 at 6:20 AM.

I like her. She embraces life in a huge way. She should buy a big farm and settle down and enjoy her children.

By tforeman.. Posted January 24 2010 at 6:17 AM.

I am so sad for the two of them because I loved them as a couple but they have to be true to themselves and, hey sometimes things don't work out. I wish both of them and their children happiness. They were an original couple. And who knows what the future holds...

By me.. Posted January 24 2010 at 6:11 AM.

So sorry to hear about this. Lived together for so long with 6 beautiful kids. Just couldn't imagine..how could a love that seemed so right go wrong?

By Mayette Vitug.. Posted January 24 2010 at 6:06 AM.

Are you kidding? There's NO WAY Jen will touch him after being with THAT. Disgusting!! Makes my skin crawl just thinking about it. \*shudders\*

By Robin.. Posted January 24 2010 at 5:59 AM.

Again, people rush into things- they should think first before they act, what about the kids? Money can't replace a family. Even if their kids will be of no worries about finances, their way of thinking would change if their parents split.

By Claud.. Posted January 24 2010 at 5:54 AM.

Angelina won't be quite the catch she was before. EIGHT kids? Three time loser at marriage or partnership, a reputation for being a raging nutter -- Who wants to take that on? For Angelina, the excitement is in the acquisition -- husbands and children -- but the excitement wanes once the conquest is made. I am sorry that the stabilizing daily influence of Brad on those children is lost.

By Kelly M.. Posted January 24 2010 at 5:50 AM.

they're not married but they mean to say that they're going to separate their riches .. tsk ! it's all about money and taking commitments after all .. but they are a wonderful couple ! about jen .. grab brad ! not until he's 60 .. xD lmaaoo !

By adam\_lambert.. Posted January 24 2010 at 5:48 AM.

Who cares? As I assume Brad is just as focused as the rest of us are for tomorrow...as long as the Saints win and go to the Super Bowl, who cares about another woman with 6 kids...I mean really...where are the priorities???

By Steve.. Posted January 24 2010 at 5:47 AM.

This is terrible but when they first got together and everyone thought they would actually get married we sat around our dining room table and placed bets on how long their marriage would last! The truth is their relationship lasted longer than any of us voted that it would! Angelina is beautiful but it is scary that she is the mother and role model for her children. She definitely thinks outside the box.

By keldipow.. Posted January 24 2010 at 5:44 AM.

well with all their money im not sure if there are in hollywood who are really happy and content no wonder it says money is the root of all evil

By sue.. Posted January 24 2010 at 5:42 AM.

You people are ALL so funny with your comments, especially the one on Brad's beard (quite ugly... what a shame on such a handsome man!) But anyway, wake up, this is Hollywood! It's part of the big entertainment industry... The only sad part are the kids :-(

it's happening...wow..  
I want him back to jen....

Judge not so that you are not judged. They were together for their own reasons, and as it didn't work out now, they have the right to go their separate ways - without the public who were not involved in the relationship casting judgement and expectations. So they've gone their separate ways, what's the big deal, earthlings? Suddenly everyone is a relationship expert :) I wish them well.

Don't want to assume that Jen will still want him back.. She got her lesson learned while Brad is still in his loonngg 'learning curve' (in his 46 :p).. As for Angie, regardless her witchiness, she is taking care of the 6 kids, of which I will still pay respect to..

By Nila.. Posted January 24 2010 at 5:22 AM.

They deserved one another. Guarandamntee ya when one leaves someone for someone else they will repeat the process again... Those kids will take the brunt!

By aline.. Posted January 24 2010 at 5:21 AM.

He's old . He should retire and she should devote herself to her kids and stop adopting babies. We have had enough.

By smart.. Posted January 24 2010 at 5:09 AM.

How ironic. Another marxist leftist like Brad Pitt lectures us about gay marriage yet within 5 years he doesn't marry the woman and has 6 kids and now the relationship is over. Normally I could care less but, I am sick to death of people like Pitt who lord moral superiority over the rest of us.

This is what happens when you dump your wife for a nut who wears a vial of a man's blood around her neck, and exchanges spit with her brother.

By Far.. Posted January 24 2010 at 4:55 AM.

Angelina next time keep your eyes in your own backyard. I guess the grass isn't always greener on the other side?

You took Billy Bob from Laura Dern, then Brad Pitt from Jennifer Aniston. Hope you've learned your lesson sweetie. Get your own man next time!

By Sandy.. Posted January 24 2010 at 4:57 AM.

This is unfortunate for the kids. I hope Jen does not take him back.

By tina.. Posted January 24 2010 at 4:57 AM.

Who'd have ever imagined this would happen?

By Josie.. Posted January 24 2010 at 4:55 AM.

20 hour sex sessions is B.S. Another Hollywood lie that we're supposed to believe, and then be envious of. I don't buy it. When Jolie was with

Thornton they bragged to the media about the sex they were having in the car on the way to the Oscars. This is why Hollywood twits don't stay married. When the "pretend super sex" loses it's lustre, they actually have to look at each others soulless life and that will kill any relationship. They need to find God and stop making themselves god.

By Unkown.. Posted January 24 2010 at 4:46 AM.

Lots of people figure out how to handle the challenges of life, even with limited financial means.

The only challenges Brad and Angie know how to solve are the ones you throw money at.

The Beatles were right. Money can't buy you love.

Until one of them publicly says it is over...it is not over people...

By BAinBS.. Posted January 24 2010 at 4:38 AM.

should we expect Jen and Brad in the sequel of "Mr. and New Mrs. Smith"?

By Dave.. Posted January 24 2010 at 4:37 AM.

Look how scruffy and ugly she has made him, clearly it is a reflection of his current attitude, maybe when he gets back to being himself again we will see the brad pitt we love on the big screen. comment from 'steady' too funny your exactly right - black widow spider!

God, what's wrong with her arm?

It is so difficult to maintain a long term relationship when you are not a celebrity. This may be why they never married. I cannot imagine how difficult it was for both of them, being such such equally attractive and popular actors, to maintain a loving relationship, given all the activity in the five years they have been together.

Think about it.. all the children, both adopted and natural, all the traveling, both making critically acclaimed films, humanitarian leadership roles internationally and the physical birth of Shiloh and then the twins as well the adoptions of Zahara and Pax. Angelina's mother also passed away during this period. The strain of doing all of this, despite their combined wealth had to be enormous.

I think it is sad as they both apparently are devoted to the children. However, I believe they will both remain devoted parents to the children and try to minimize their pain over the ending of their relationship.
